OFFICIAL PAPER OF TREGO COUNTY.

SATURDAY, NOVEMBER 18, 1893.

Fresh oysters in bulk at Baker's.  
November 30th will be Thanksgiving.  
Bon-Ton Blended coffee—the best—at H. Schultz's.

Pure buckwheat flour and maple syrup at Bestor's. 10 28 tf  
Hay wanted—W. S. Mead. Highest market price paid.

For bargains in all kinds of goods go to Henry Schultz's.

J. P. Marquand was in the county capital Thursday.

Marshall & Ufford headquarters for groceries, hardware, etc.

William Walsh, of the Saline neighborhood, was a caller last Thursday.

Leave your orders at Marshall & Ufford's for Colorado potatoes at 90c per bushel.

California canned and evaporated fruits of all kinds—new crop—at H. Schultz's.

K. W. Rogers, trustee elect of Willcox township, was in Wa-Keeney last Thursday.

J. H. Deatrich, a prominent citizen of Collyer, was in the county seat last Thursday.

Eli McCollum and S. S. Harvey, of Ogallah, were trading in Wa-Keeney last Thursday.

Charlie Priestley is home again. He has been filling a vacancy in the Western Union at Ellis.

Mrs. A. H. Blair is expected home to-night after several weeks visit to Chicago and other eastern cities.

As nearly as we can make it out the editors of the Smith County Pioneer are not very intimate with Mary "Yellin."

One word describes it—"perfection." We refer to De Witt's Witch Hazel Salve, cures obstinate sores, burns, skin disease and is a well known cure for piles. Jones & Gibson.

We haven't heard anything about the Oakley water works for some time. How is it Bro. Kinney? We are interested down here.

Buy your staple, fancy and green groceries at a grocery store. C. C. Bestor makes a specialty of groceries, fruits and provisions of all kinds. 10 28 tf

Married—November 13th, 1893, by Judge J. M. Welch—George Blazer, of Rooks county, Kansas, and Viletta Bundy, of Trego county.

Collyer Post No. 107 G. A. R. will give their usual annual ball on Thanksgiving eve, November 29th. All are cordially invited.

Little vegetable health producers: De Witt's Little Early Risers cures malarious disorders and regulates the stomach and bowels, which prevents headache and dizziness. Jones & Gibson.

Who struck Billy Patterson has long since been decided, but who struck the democratic party on November 7th is what is worrying the leaders just now.

We could not improve the quality if paid double the price. De Witt's Witch Hazel Salve is the best salve that experience can produce, or that money can buy. Jones & Gibson.

O. T. Birkeland, a former resident of Collyer and well known in Trego county, returns this week for the World. Mr. Birkeland has a very successful business in Chicago.

All that honesty, experience and skill can do to produce a perfect pill, has been employed in making De Witt's Little Early Risers. The result is a specific for sick headache, biliousness and constipation. Jones & Gibson.

We receive in exchange a number of populist papers from all over Kansas. The only one displaying a roster is the People's Voice at Sharon Springs. The populists elect their ticket by about 25 majority.

Just received at Bestor's—200 baskets of Concord grapes, fresh steel cut meal, pure buckwheat flour, 50 dozen new cured corn, 50 dozen new canned tomatoes, 50 dozen new California fruits, 50 dozen new Platt canned goods. All new pack and fresh from the canning factories. 10 28 tf

Mr. Moore, the postmaster at Bradshaw, Va., after reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, concluded to try a small bottle of it. He says: "I used it in two cases for Colic and three for diarrhea with perfect satisfaction. I have handled and used a great deal of patent medicine but never tried any that gave as good results as this." For sale by Jones & Gibson.

Abram Frakes, the new register of the Wa-Keeney land office entered upon his duties last week. The Illinois man, appointed for the reorganization failed of confirmation by the senate, and the probabilities now are that Col. Reynolds will get the place after all. No new developments in the Oberlin office have occurred, either in the matter of removal or appointments. Those who claim to be posted say that all Kansas matters will be disposed of by the president within the next two weeks.—Colby Tribune.

The best plaster—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying flannel bandages dampened with Pain Balm. 50 cent bottles for sale by Jones & Gibson.

Celery at Baker's.  
For fine syrup go to H. Schultz's.  
Gove county went republican as usual.  
If you want good tea go to Henry Schultz's.

Observe the quality and prices of shoes at Bestor's. 8-5  
Goods at hard time prices for cash at Henry Schultz's.

A car load of Lindsborg flour and meal at Marshall & Ufford's.  
Col. S. S. Reynolds, of Grainfield, was in the city last Saturday.

Baker will pay the top price for fat hogs or any fat stock. 10-21 tf

Try fine steel cut oat meal for a change. For sale by C. C. Bestor.

The proposition to build a jail in Gove county was defeated on the 7th.

G. W. Blackwill, district clerk elect, came down from Collyer last Tuesday.

Corn, in the neighborhood of Plainville, is selling for 25 cents per bushel.

"Good bye old party, good bye," is not so popular as it once was in Kansas.

A large amount of broom corn was shipped from Wa-Keeney last Saturday.

The highest market price paid for good butter and eggs at all times by H. Schultz.

Go to Marshall & Ufford's for stoves and stove repairs, pumps and pump repairing.

Just received at Marshall & Ufford's—a car load of Colorado potatoes—90c per bushel.

Three out of thirteen district judges does not show very well for the populists this year.

We are more than pleased to learn that Tom Hamilton has been re-elected sheriff of Ellis county.

You can buy a better pair of shoes for less money at Bestor's than any place west of Kansas City.

N. A. Voss will be in his photograph gallery in Wa-Keeney on November 21st and 22nd and stay a couple of days.

The first snow of the season fell last Sunday morning. It did not drift and soon passed away to the benefit of our wheat crop.

The Western School Journal notes that Supt. A. S. Peacock, of Trego county, has a valuable educational column in the WESTERN KANSAS WORLD.

If you can afford to be annoyed with sick headache and constipation, don't use De Witt's Little Early Risers for these pills will cure them. Jones & Gibson.

One of the best "write ups" that we have seen is that of Phillips county by the Dispatch. It is finely illustrated, well written and will be worth hundreds of dollars to the county.

The New York Tribune and Western Kansas World for only \$1.75. The regular price of both papers is \$2.50. Better arrange for them now while this offer holds good.

The Occidental hotel at Grainfield has been closed for several weeks. Mrs. Beal, wife of J. B. Beal the proprietor is seriously ill in New York with but little hope of recovery and Mr. Beal has been in attendance.

Ignorance of the merits of De Witt's Little Early Risers is a misfortune. These little pills regulate the liver, cure headache, dyspepsia, bad breath, constipation and biliousness. Jones & Gibson.

Last Saturday was the anniversary of the birthday of our esteemed fellow citizen James Meldrum. A number of his friends called in the evening and a pleasant time was had. It was a complete surprise to both Mr. and Mrs. Meldrum.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Jones & Gibson.

From the Hoxie Sentinel we learn that Sheridan county gave a majority of 60 for Judge Smith; and elected county clerk; the populists get the balance. This is owing to dissensions among the republicans, and the Sentinel puts forth a strong plea for harmony and unity in future campaigns. From the same source we learn of a most disastrous fire which consumed among other buildings the magnificent Ellithorpe hotel. This was one of the finest hotels in the west and it will probably be some time before Hoxie gets another as good.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. If given freely as soon as the croupy cough commences it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this remedy in large and frequent doses, as it contains nothing injurious. 50 cent bottles for sale by Jones & Gibson.

One of the very best comments on Mrs. Lease and her speech we have yet heard is from the wife of a populist living near Colby. She expressed it in about these words: "If she has such sympathy for us poor farmers why does she take our hard-earned dollars for her speeches? Why does she not contribute a few of the thousands she is now making to buy new doors to fail? Why does she not send us something with which to cover the nakedness she feels so bad about instead of sending her children to expensive schools and clothing them in fine silks? Why don't she relieve some of that 'distress' she sees so much of out of her enormous income? Mrs. Lease is only human, like all the rest, and is making all the money she can out of us poor farmers." And the woman spoke the truth.—Colby Tribune.

Good beef by the quarter at Baker's.  
O. H. Neff left last Monday for Bolton, Missouri.  
A. E. McCollum occupies the north-west "cottage."

A. H. Cox, of Grinnell, is a new clerk in the land office.

O. Benjamin, of the Sharon Springs People's Voice, was a pleasant caller Saturday.

For the cash you can buy a good quarter of beef at Baker's for 4 cents per pound. 11 18 2t

Heinz pickles, preserves, apple butter and mince meat in glass or bulk at Bestor's. 11 18

Fresh pork, pure home-made lard, pork sausage, bologna sausage at Baker's. 11 18 2t

Heinz pure mince meat in bulk at 12 1/2c per lb is better than you can make at home. 11 18

All the talk in the world will not convince you so quickly as one trial of De Witt's Witch Hazel Salve for scalds, burns, bruises, skin affections and piles. Jones & Gibson.

Order your Thanksgiving turkeys early and you get good ones and will not be disappointed. Baker will have lots of them; also oysters and celery.

Just received at Bestor's: Pure mince meat 12 1/2c per lb. Pure apple butter 12 1/2c per lb. Over 300 pair new shoes. Full line rubber shoes and over shoes.

De Witt's Witch Hazel Salve cures piles. De Witt's Witch Hazel Salve cures burns. De Witt's Witch Hazel Salve cures sores. De Witt's Witch Hazel Salve cures ulcers. Jones & Gibson.

C. C. Bestor has a new Boot and Shoe advertisement in this paper. He has a fine new stock and proposes selling them on a hard time basis. We would advise our readers to investigate as we believe it will pay them to do so. Also read his new local this week.

Hays City Republican:  
Poor old Billy Baker! How he must tremble when he reads of the result of last Tuesday's election! Can't help it; you must go next.

We don't think the republicans in this district want either Webb McCall or H. L. Pestana for congress.

The vote of last Tuesday returned Kansas to the republicans. The dry-goods-box statesman and orator who has been making speeches over the state the past three years, driving capital and capitalists from the state, has finally had a set back, and the republican victory will have a tendency to restore confidence. Loan companies will soon be doing business again, and money easy to get. The pops made their brag that if they could get the county clerks they would see that a pop was elected representative! This so stirred up the voters that scarcely a pop clerk was elected. Last winter was enough of that kind of legislation. Over the state their loss has been so great that their identity will be lost by the time the next election rolls around. The calamity howlers are turned down forever, and after the present state officers have served their term, men of intelligence, common sense, business integrity and love for the good name of the state will be given control, and once more Kansas will be known as the grandest state in the Union.

Hays City Sentinel:  
How docile and lamb-like the Hay Press was last week. Did you notice it?

The Hon. Mr. Editor Cook, member-elect from Gove county—hail, and bully for you!

The Omniscient at Wa-Keeney should change its name to Omnigavant and travel on.

Wa-Keeney is preparing to entertain the Golden Belt Educational association by boarding the members around in the good old way.

How hath the mighty fallen! Judge Nelson who glowed like a legal Jupiter among Wa-Keeney theodolites, is now measuring molasses and drawing calico in a Pasadena, California, store.

Poor old Wallace county sits up among her coyote hills and howls in dreary loneliness. She is lonely, too, as the only county along the Golden Belt to elect a straight pop ticket.

There is not a printing press in Kansas large enough to print the ballots in a presidential year. The law seems to have been class legislation in the interests of sign painters.

Judge Osborn has been questioned as to whether he would stand for another election, but so far he has declined to discuss the matter.

A Few Queries.  
Can the editor explain the following questions? Perhaps not as he is of an opposite political party than the Ogallah trustee, but may be Mr. Musgrave's friends or that gentleman himself can tell:

First—Why there was not a democrat on the election board of Adair precinct as judge when most assuredly there were democratic tickets voted a year ago.

Second—Why there was not a republican on the board as clerk when, as is well known, that party cast the next to the largest vote a year ago.

Third—Why two populists were clerks when the law plainly says that "not more than one clerk shall belong to the same political party."

Fourth—Why Mr. Runyon could not be satisfied to place his initials on the back of the ballot as the law (which he is so apt to quote) says, but had to put his full name thereon.

Fifth—Why he supposed no one would "notice the fire guard at the bottom" without he took to himself the additional duty of calling their attention to it.

Sixth—Why the last named gentleman when he is so particular about the technicalities (even insisting that electors toe a certain crack and giving his name to the clerk which is manifestly intended for cities having registration) did not allow the voter to deposit his own ballot as this self same law says he shall.

Seventh—Why there were five populists on the board?

Eighth—Why we have a law at all if it is not enforced?

Justice.

GLENCOE, November 14, 1893.  
Snow, the beautiful snow, Saturday. Master Harry Callahan has an attack of malarial fever.

Glencoe voters turned out pretty well last Tuesday, only two failed to vote. Asa Adair has been buying cattle in Glencoe the past week.

We are sorry to hear that J. B. Johnson lost his sheds by fire last Sunday.

The dance at Mr. Callahan's Wednesday night was a splendid success.

The republican ticket carried a good majority in Glencoe as usual.

Mr. Chrysler, of the firm of Chrysler & Caskey, was buried at Ellis yesterday.

Will Flood, of Salina, has been visiting with his uncle Patrick Callahan of eastern Trego the past few days.

Henry Schouse is working for Abram Cross these days.

Squire H. Fidler and family expect to get back to Trego county about the 15th of December.

Mrs. Callahan expects John Robertshaw and family and Will Honeck back home from Colorado about the first of next month.

Some of the boys from Glencoe are intending to go with the U. P. gang to build snow fence this fall.

GRACKER.

The following local committees for the coming meeting of the Golden Belt Educational association have been appointed:

Committee on Reception and Entertainment—Prof. Schuyler Opp, Mrs. L. D. Monroe, Emma A. Hobbs, David McCollum, Ida Blackburn, J. F. Barclay, Mary Shepherd and A. L. Gleason.

This committee will secure stopping places for visiting teachers, meet them at the trains and make assignments. They will also act as committee on introduction, etc. Some of our guests will arrive Thursday evening, November 30, and part of them will remain until Sunday morning. There will be five sessions as follows: Friday morning, Friday afternoon and Friday evening; Saturday morning and Saturday afternoon.

The committee on music will consist of Hudson Harlan, Elise Neuenschwander, Jesse Welch, Mayme Brown, Mrs. E. A. Rea and Carrie Sweet. This committee will select appropriate music suitable for the whole audience to join in and secure books and an organist.

The Wa-Keeney Glee club offer to furnish music for the Friday evening session under the leadership of Pierce Metz.

The success of the meeting and the consequent reputation of Trego county teachers and people will depend greatly upon the success of these committees in the duties assigned them, and I bespeak for them the hearty assistance of our citizens. I sincerely hope all persons assigned to positions on committees or on the program will overlook the fact that I have been unable to consult them personally concerning their acceptance of the same.

It is expected that from 100 to 150 teachers will be in attendance. Visiting teachers will not expect entertainment gratis, but it will be necessary for our citizens both public and private to accord them a generous welcome to their homes.

A. S. PEACOCK,

THE TOLEDO WEEKLY BLADE

And Book Containing All the Nasby Letters for One Dollar.

In answer to a general demand from all parts of the United States, the Toledo Blade has published in one volume, cloth bound, all of the "Nasby Letters" ever written by the late D. R. Locke, omitting perhaps a few unimportant letters on local or forgotten topics. Only a few of these letters were ever published in book form. Everybody has read some of them, but who has read all of them? The book contains over 500 large pages, and all the Nasby Letters written during a period of twenty-five years; also a portrait of D. R. Locke from his last photograph. It would sell at one dollar or more, but will never be placed on sale. One hundred thousand copies are now being printed and bound, and one copy will be sent postpaid by mail free to every person who this winter remits one dollar for the Weekly Blade one year. Everybody invited to send for a specimen copy of the Weekly Blade, which will give a full description of the book "The Nasby Letters."

The Toledo Weekly Blade is the best and most popular weekly newspaper published in this country. It has the largest circulation of any weekly newspaper, and goes to every state, territory and nearly every county of the Union. Only one dollar a year, including the above mentioned book free.
